EUROCAE

DEAR PARTNERS

We are pleased to announce that the EUROCAE Symposium enters a new era in 2023!

With participation from international top industry leaders and regulators, it is a unique opportunity to engage and to discuss the most emergent subjects with the aviation experts.

This year, we will welcome you in Paris, France. As we celebrate our 60th anniversary of our creation, we look forward to welcoming the event in our home town.

We are sure that our sponsors, our supporters and the media will bring the EUROCAE Symposium to the next level. EUROCAE will ensure that your investment brings you the best outcome you are looking for.

We are looking forward to meeting you soon!

**"THE EUROCAE
SYMPOSIUM IS A
UNIQUE OPPORTUNITY
TO REACH THE ENTIRE
GLOBAL AVIATION
COMMUNITY **IN ONE
PLACE.**"**

THE EVENT

- Presence of 200+ representatives of the aviation community and reaching over 10,000 persons worldwide.
- A balanced mix of visibility and networking opportunities before, during and after the event.
- Exposure of your brand on national and international media and press.
- Marketing opportunities including visibility on the event website and associated marketing materials.
- A cost-effective way to reinforce your organisation's brand and raise awareness amongst your future stakeholders.
- An opportunity to build and reinforce strategic relationships within the aviation industry, worldwide.

THE VENUE

Paris is the capital and most populous city of France. France's history, culture and industry make it a leading country in international aviation. France is one of the few countries in the world to cover the whole field of aviation: aircraft construction, airports, airlines, air navigation systems and aeronautical experts training .
